# Proposal for the Extension to the Tram Route

## Submission Form

It will help us if in your submission you clearly state your opinion on the proposed route and describe/outline any ideas/issues you may have.

I Fully support the council's initiative to extend the city tramway and the proposed tram route extension proceeding along the street, turning into castle mall, then along castle street to Manchester street, right into High street, through High street mall, Colombo street and Cathedral square.

The extension is a superb initiative by the council and I believe it is essential that it is completed before the 2011 world cup. With Christchurch having secured the Guinness Flower show this extension will be an added attraction to our visitors and assist the retail business in the inner city.

Once again I fully support this sensible and progressive initiative.

You may add more pages if you wish. Thank you for your submission.
