

19. JOHN BRITTEN RESERVE CONCEPT PLAN – RESULTS OF COMMUNITY CONSULTATION

The Board considered a report on the results of community consultation undertaken on the draft concept plan for John Britten Reserve and seeking the Board's approval of the revised concept plan, which had been amended following community consultation.

The Board **resolved** to approve the amended concept plan for John Britten Reserve, subject to the inclusion of provision for the installation of an Aeolian Harp commemorating John Britten, on the site marked on the concept plan.

(Note: John Freeman recorded his vote against the resolution.)
