

## 8. BELFAST RESIDENTS' ASSOCIATION - NAME CHANGE

The Belfast Residents' Association had requested approval for a change to the name of the organisation.

The Association has represented the Belfast area since coming out of recess in 1991 and with an increasing number of subdivisions, the Association believed it has a key advocacy role for the Belfast area as a whole whilst also acknowledging the needs of smaller local communities of interest.

The Board **resolved:**

1. That the Belfast Residents' Association request for a name change to the Belfast Area Residents' Association be approved.
2. That the Board undertake further consultation on local issues with the property owners and residents of Clearwater Resort.
