- Staff provided information on the Styx Mill Wildlife Sanctuary Predator Fence as requested by the Board on 18 April 2012.
- Staff provided information on the Board's request of 17 November 2010 that the Groynes Dog Park is renamed the Yvonne Palmer Dog Park. The Board noted the staff advice that the Groynes Dog Park should remain known as such and consideration be given to naming a more suitable and appropriate new facility, site or feature after Yvonne Palmer in recognition of her contribution to the community.

The Board **decided** to request staff to incorporate the proposal to rename the Groynes Dog Park to the Yvonne Palmer Dog Park as part of the next review of the Groynes Park management plan and to inform the Board when that review would take place.

In making this request, the Board noted that the dog park, which was the first of its kind in New Zealand, and was the initiative of Yvonne Palmer who was the inaugural chair of the Shirley/Papanui Community Board. The request was to recognise, in a tangible manner, Yvonne Palmer's 21 years of valuable contribution to the Shirley/Papanui Community.

- Staff provided information on the Board's request of 14 December 2011 for clarification of actions proposed to repair or replace the damaged toilets/changing sheds on Council land at 264/274 Westminster Street. The Board noted that two temporary portacom changing rooms would shortly be in place.

- Staff provided information on the Board's request of 2 November 2011 to be informed in April and October 2012 of the efficacy of the no stopping restriction in the service lane in Acheson Avenue. The Board noted that the no stopping restriction in the service lane is being adhered to and that the lane is generally free from parked cars.

- Staff provided information on the Board's request of 14 December 2011 for a meeting with Housing New Zealand Corporation (HNZC) representatives to investigate possible options such as a land swap or property purchase which would assist in providing Macfarlane Park with more street frontage. HNZC had indicated that land swap proposals needed to be initiated by the Council. Staff advised the matter was not a high priority and the proposal was seen as a remote possibility.

The Board **decided** to request staff to organise a Shirley Housing forum to be hosted by the Board to be held in June/July 2012 for the purpose of clarifying housing needs of Shirley and identify planning and concept development for the wider Shirley community. This will involve members of the Council's Community Facilities and Housing Committee, CERA, HNZC, with an invitation to Simon Fenwick (Urban Design Master Planner for Boffa Miskell Limited) as a presenter.

11. CONSIDERATION OF SUPPLEMENTARY ITEM

The Board's approval was sought to submit a supplementary report for consideration at this meeting regarding a funding application to the Board's 2011/12 Positive Youth Development Scheme. The reason, in terms of section 46a(vii) of the Local Government Official Information and Meetings Act 1987, why the report was not included on the main agenda is because the application was only received on 10 April 2012 and contact with the applicant was not possible until 17 April 2012. The applicant's proposed travel to Japan is 10 May 2012.
